

REMARKS

Please replace the Amendment to the Claims section of the previously filed Amendment of January 17, 2007 with the foregoing corrected Amendment to the Claims section. In the foregoing corrected section, all previously withdrawn claims now have the proper status identifier, specifically either "WITHDRAWN" or "WITHDRAWN – CURRENTLY AMENDED" as appropriate. It is believed that this correction deals with the objection raised in the Notice of Non-Compliant Amendment. Entry of the corrected Amendment is therefore respectfully requested.

CONCLUSION

It is believed that all claims remaining in this application, specifically claims 1 to 14, 16 to 19, and 21 to 46, are now in condition in all respects for allowance, for the reasons stated in the Amendment filed January 17, 2007, and early notice to this effect is earnestly solicited. If the Examiner has any questions or comments regarding the above Amendments and Remarks or believes that a telephone conversation may be useful in advancing prosecution, the Examiner is invited to contact the undersigned at the number listed below.

Respectfully submitted,
Procopio, Cory, Hargreaves & Savitch LLP
